

Do not allow banks and small interest groups to dictate to the people of the educated U.S.A to override the peoples majority vote of the state of Indiana who took their time to vote on the telemarketing law. Laws are for all not a few and and this law is to not allow after hours harassment from marketing people over the telephone whatever or whoever they may be. That is what is happening in this country now look at the schools, one kid can't have peanut butter the kid is allergic so the school corporation our government worried about one individual, denied the rest of the school peanut butter, get my meaning do not allow any changes they are no good for the people of INDIANA DENY ANY CHANGES TO THE NO CALL ----WE VOTED NO AND NO IT SHOULD REMAIN
